## TOP 10 WAYS TO USE **covenant** ART

- Purchase a book to keep at work with you, and keep one for home. The hardcover is beautiful and perfect as a coffee table book or to set in a visible, reachable place.
- Hang on your wall at work as a conversation piece — a great way to introduce Journey, God, you as a Christian, etc.
- As a reminder to you of the lessons and meaning of each covenant.
- Use the canvas recreations or prints as fine art in a special place in your home.
- Give away as gifts to family, friends, and people you are talking with about Jesus. This is the perfect gift for someone who has everything. Buy and save some for Christmas or birthdays.
- Use the books as ministry tools — they are the whole package with scriptures and stories.
- Use a book as a devotional time with your children; they will be interested in it because they were a part of some of it.
- Donate a book to a library, school, business you frequent, a neighbor, college student, someone else you know who is evangelistic, your old pastor, or someone in our church family who will not have one.
- Get the full set of prints and frame them — the whole series unfolds the whole story in a special way.
- Let your child pick their favorite 1 or more prints to keep or hang in their room, hang the heaven painting in a play space, or save for them as a keepsake of such a treasured project that involved their whole church family.
